

AcuPoint Analysis

NOSE CLEARS STUFFED*

Points

- G24.5** On the centerline of the face between the two eyebrows. Where the bridge of the nose joins the forehead.
- GB15** Directly above the iris of the eye, .05 cun within the hairline.
- K22** In the 5th intercostal space 2 thumb widths from the chest midline.
- LI20** At the flare of the outer nostrils where they join the cheek, on the cheek, rather than on the nostrils.
- UB04** 1.5 cun from the head midline and 0.5 cun into the hairline. Easily found and stimulated with the Stressaway massager just by rolling in this area until you find a sore spot.
